Declaration

I declare that this assignment submission represents the work I have completed for SWE3409 – Mobile Application Development, Individual Assignment 2. The information and evidence I submit are, to the best of my knowledge, accurate and honestly presented.

I acknowledge that I used AI assistance during development and preparation of this assignment. The assistance included guidance with React Native/Expo troubleshooting, profile validation and photo-related functionality. I have reviewed the submitted work and remain responsible for its contents, implementation, testing, and the accuracy of the claims made in my submission. Further details are provided in my AI_USE.md disclosure.
